DRAFT

Welcome

The meeting was called to order at 4:06 p.m. by Elizabeth Smith.

Members Present

Angie Gillette
Melissa Moulton
Elizabeth Smith
Ann Staley
Joan Watson
Jeremey Yetter

Others Present

Toni Garn

Minutes from September Meeting

A few changes were made particularly with the correct spelling of names and correct contact information. Ann Staley made a motion to approve the minutes. Melissa Moulton seconded the motion.

Budget Update

Currently from July 1, 2018, through October 9, 2018. At the next meeting we will look at each grade level in detail. \$200 per grade level to purchase core supplies. For some reason the money 6th grade spent last year is recorded on this year's budget. 10% can carry over to the next year.

District Community Council Training Update and Video

Items Due and Website

The items due by October 20 are the Progress Report and Principal's Assurance Form. Mrs. Jones, 6th grade teacher, will update the website.

Other

- White Ribbon Week by Ann Staley. She will talk to Soelberg's about grocery bag donations as well as sending the parent letter to Angie. Angie will then send it to NetSmartz. There is \$200 in the budget. Perhaps the badge/button maker will be purchased.
- STEM Fest on November 7, 2018
- 90-day Plan will be approved at the School Board Meeting tonight.

- The 4th and 5th grade will begin training on Thursday for their Chromebooks.
- Great training yesterday for all the employees by the District. There was a Growth Mindset presentation that will be presented at STEM Fest.

Data Update

Went to look at the wall in the hallway in the front by the office. All the information is there for DIBELS and last year's SAGE scores.

Adjourn

The meeting was adjourned at 5:03 p.m. with a motion made by Ann Staley and a second by Melissa Moulton.

Next Meeting

January 8, 2019, in the Library at 4:00 p.m.

Assignments

- Invite District IT to a meeting (Angie)
- SCC to come and see teachers using technology in action (Angie)
- Double check the digital plan citizenship (Angie)
- Buy machine to make buttons (Toni)
