👤 <http://www.schoolandtrust.org/> Trainings and videos available

5. Safety and Walking Plan –

👤 Pick-up and Drop-off Officer Chavez, school resource officer, has been working to improve safety at crosswalks/camera angle for Apple/Park has been adjusted where there are close call incidences, painted curb, cleared trees, gathering data. Discussed if approaching the city about removing the no parking signs on center so parents will park there instead of across the street is worth exploring.

👤 Bus Lanes and Safety – re routing students away from bus lanes

6. PBIS (Positive Behavior Interventions and Support)

👤 Incentives for Students: Student of the Month based on 2nd Step; Gain-academic improvement; Buddy Squad – student generated and teacher approved; Principal's 200 Club – get caught doing something good

👤 Announcements – student council announces 2nd step, motivational quote, PAW write-ups, Successory notes, Guess Who?

👤 Student Council – by application- then teacher/administrator approved; did classroom presentation for Kindergarten-fourth grades

👤 T-Shirts – orders due 9/14

👤 Facebook, PeachJar – promote positive events, 2nd Step

7. Academics

👤 90 Day Plan: Fluency and Comprehension –

5th and 6th grade aides – math, other grades- fluency If fluency improves, comprehension will follow. Will post reading contest points on foyer board.

Note: the longer students are at GES, the better their scores – 5th grade is much improved but still on the low side (except for those in the DLI program).

KEEP assessment: kindergarten baseline is higher than last year

👤 New 5 Teachers, 4 Aides, 2 Paras

👤 Calendar, Website, Google Google allows educators unlimited access to Google Suite

👤 Integrating DLI Teachers and Students – Students now are mixed with other grade-level classes during rotations

8. Questions and Concerns

Parent Teacher Conferences are earlier this year – allows an early conversation about where students are

Choir – Community Room T/Th Radical Reading in computer room with added opportunities for math flash cards, homework, computer use.

Next Meeting: Tuesday November 6, 2018 at 4:30 in the Library
