

Mad Science of Pittsburgh

**Fort Allen Elementary  
School**  
in cooperation with  
**Mad Science of Pittsburgh**  
**Presents:**  
**The "NASA: The Academy of Future  
Space Explorers" After School  
Program**

**Program Description:**

From our Earth's atmosphere to the outer reaches of our solar system, this hands-on program sends participants on a quest for exploration! Comets, planets, stars, and more are all waiting to be discovered. Learn about the four forces of flight, the challenges of space travel, and participate in a rocket launch!

**About Mad Science®**

Mad Science® is the world's leading science enrichment provider, delivering unique science experiences that are as entertaining as they are educational. Mad Science encourages scientific literacy in an age when science is as vital as reading, writing and arithmetic.

**SITE: FORT ALLEN ELEMENTARY SCHOOL**
