

Komarek School – Preschool Screening

What:

The preschool screening is designed to assess a child's development and assist in identifying children who may require further evaluation to determine eligibility for special education services or those who may be eligible for a state-funded preschool program. The screenings are by appointment, and at no cost to families.

When:

September 19, 2019

Where:

Komarek School
8940 W. 24th Street
North Riverside, Illinois 60546

Why:

Participation in the screening process does not guarantee a spot within the preschool program, but may put your child on the list of potential preschoolers for this year and/or next year.

Contact Caitlin DiLallo, Director of Student Services to schedule a screening appointment for your child.
