

SUMMER READING – ENGLISH I – MRS. SPENCER

KERR VANCE ACADEMY 2018

SLEEPING FRESHMEN NEVER LIE by Lubar

Read pages 3 – 139. We will finish the book together in August. (If you just can't stop reading it, that's okay, go for it.)

The main character is Scott Hudson. This is his story about entering HS. After reading the assigned pages:

1. In a paragraph, might take a whole page, describe Scott's life. Who are his friends, what does he expect from HS and how is that different from reality? (Just to give you a start)
2. Write a brief description of the following characters and how they connect to Scott:

Bobby

Sean

Lee

Julia

Book 2 – CHEW ON THIS: EVERYTHING YOU DON'T WANT TO KNOW ABOUT FAST FOOD by Schlosser and Wilson

Nonfiction

As you read, keep a list of facts you didn't know about the Fast Food Industry. Include information about how the chains became so successful and how they have us "hooked". (15 to 20 facts)

When you finish, write a paragraph explaining why your opinion of Fast Food has changed, or why your opinion has not changed.

Bon appetit!
