Dear Whitehorse HS Scholar(s) & Parent(s)/Guardian(s),

Ya'at'eeh & welcome to a new school year (SY20)! We are excited about some learning opportunities: WIN Time, Chess Club, STEM Bus Day, Auto Club, Art Club, and Virtual Reality. We also encourage every scholar and parent/guardian to get involved in making WHS a great place to be. Places to start include the following:

- Actively participate with learning and at parent events,
- Attend school every day (attempt to miss fewer than 8 days total in the school year),
- Read outside of class as much as possible,
- Read for fun and take reading material wherever you go.

On the reverse side of this letter, each scholar will find his/her class schedule. Any changes needed should be made with the counselor during Registration. **Registration** runs 9 am to 2 pm on August 5-7; Final Registration will be from 1-3 pm on August 12-14. If there are questions about Registration or you need to arrange a different time, please contact Sylvia Mitchell at 435.651.3427 or 435.678.1855.

NOTE: Junior or seniors interested in taking college classes should call Robin Henderson at 435.678.1888.

August 20: Meeting for all 8th Grade Scholars & Parents, 6 pm

August 21: Meeting for all Senior Scholars & Parents, 7 pm

Other appointments to better fit your schedule may be made by calling or emailing us. As we work side-by-side as partners, let's focus on helping our scholars become prepared for life after high school. See you soon!

Sincerely,
