Manila Public Schools District Parent Engagement Plan Summary 2019-2020

Manila Public Schools recognizes the need for strong parent, family, and community engagement in the educational process of our students. MPS welcomes families and community members to the school and encourages them to be active participants in decision making. The Manila School District commits to the following:

- The district will assist schools in developing parent, family, and community engagement policies and programs to improve student achievement.
- The district will assist schools in providing timely communication and providing parents on-line access to grades and attendance.
- The district will provide training annually for volunteers.
- The district will provide opportunities for joint collaboration with parents, community members, teachers, etc. to offer input in the development of district and school plans.
- The district will insure that Title I schools:
 - provide assistance to parents in understanding content and how to monitor their children's progress;
 - provide materials and training to help parents work with their children to improve academic achievement;
 - educate teachers, principals and other staff in the importance of effective communication, value and utility of contributions of parents;
 - coordinate and integrate parent involvement programs and activities;
 - ensure that information related to schools and parent programs is sent to parents to the extent practical in a language parents (including disabled parents) can understand;
 - provide other reasonable support for parental involvement activities as parents may request
 - schedule two Parent-Teacher conference days and annual Title I meetings
- Parent Engagement Meeting Opportunities for 2019-2020:
