

## **SUPERINTENDENT'S MESSAGE**

The latest release of the FUHSD graduation rates shows the following rates:

AR 88.00% East 37.29% FHS 85.88% FUHSD 74.80%

These rates reflect inaccurate data. Inaccurate data was reported to the California Department of Education for last year's graduates. The data has been corrected, but too late for the release.

The following depicts the correct graduation rates for 2017-18:

**AR 95.83% East 84.75% FHS 97.02% FUHSD 94.02%**

We apologize for our errors in reporting. The situation has been rectified and steps are in place to ensure this mistake is not duplicated.
