October 7, 2019

Dear Blandford Parent/Guardian,

A concern of both parents and staff is student safety at the drop off time in the mornings and at pick up times in the afternoon. Please help us keep all students safe by following our traffic procedures below:

DROP OFF AND PICK UP PROCEDURES

To ensure the safety of children and adults, it is imperative that the following procedures be observed:

- **Drop-off/pick-up lane:** There is no parking in this white loading zone lane.
- Drivers must stay inside their cars in the drop off lane and continue to pull forward as space becomes available. Do not park or leave your car unattended in the white loading zone.
- Students may load and unload only from the lane. Not in the street or parking lot.
- For safety purposes, students may only enter and exit the vehicle from the passenger side.

PEDESTRIANS

Students must use the crosswalk. To ensure everyone's safety, please use crosswalks to and from the school. Students are not allowed to cross in the middle of the street even when accompanied by a parent. Please do not drop off your child in the middle of the street, this is extremely dangerous.

We expect that all drivers follow these directions. Habitual violators will be reported to local traffic authorities.

Thank you so much for your cooperation in these procedures. Please be sure that anyone picking up or dropping off your child/children also has this information. When all of us work together in a positive manner, our children benefit.

Sincerely,
June Sakaue
Blandford Principal
