Have you purchased an exotic pet which has shown to be too much for you to handle? You can now bring it with you to our shows, for we also have a 501(c)3 rescue on site which can take your unwanted exotic pet and give them a proper home. There is no need to flush them in a toilet or release them to the wild, for most of them will not survive; however, we can take them off your hands at no cost to you! Please be a responsible pet owner!
