Little Village Academy Mission Statement

At Little Village Academy, we inspire all students to become global citizens by providing them with a rigorous and integrated instructional program that is inclusive to meet their academic and social-emotional needs. We create a safe environment that is nurturing and student-centered in which all voices are heard and diversity is respected. Through our dedicated and passionate staff, parents, and community members, we empower students to become self-motivated, self-aware and self-advocating individuals preparing them to become lifelong learners as they pursue post-secondary education.
