Instructions

- You’ll need a paper bowl, shredded brown paper, ribbon, a hole punch, pom-poms, glue, and a copy of the birds.

- Punch two holes in the bowl first. Run a ribbon through. Cut it long enough to fit around your head. Color and cut out the birds.

- Smear school glue around the inside. Stick the birds to the glue. Wad up the shredded paper and stick it in too. Glue in the pom-poms for eggs.

- Tie it to your head.

Go to the grocery store and pretend there isn’t a nest on your head.
