# Club Corner

Beau Chene High School's Art Club is an organization where students who have taken Art I work alongside Mrs. Glorioso and Mrs. Knott in putting together the Christmas Pageant. It is a long time tradition, which took place even before Beau Chene opened its doors and was previously Arnaudville High School. Members put in numerous hours and much effort in creating decorations for the pageant and also working behind the scenes in preparing refreshments, lining up participants, and often participating in the pageant themselves.
