

## LCAP Update April 2018

### Goal 1:

We want our students to achieve higher proficiency using course materials that are representative of our focus on career and college readiness.

- We continue to develop industry competencies this year
- All Adoptions are current. We will update quantities of materials, but we have no plans to adopt new materials prior to 2018-19 school year.
- Library materials have been updated by about 10% of all books/materials. We will add approximately 200 new books next year. We will focus on grade level appropriate materials at all lexile levels. The challenge is finding high school reading materials that are written for lower ability readers.

### Goal 2:

Our students need to be given more opportunities to be college and career ready through additional course work, activities and related field trips. (2017-18)

- Outdoor Club monthly hikes
- Robotics
- Key Club & volunteering
- Tilapia hydroponics farm (Solutions 4 Change)
- Construction site
- Palomar College
- College and Career day success
- Schoolwide project this year better represent who we are (Save the date – May 16 6 to 7:30 pm – Night of Excellence)
- Cygnet Theater
- La Jolla Playhouse
- IBEW
- Stone Truss Manufacturing
- SDG&E Innovation Center
- Brown Safe and Craftsmanship Museum
- Meziere Enterprises
- USS Midway - Robotics Team exhibited at event on Midway
- Mira Costa College
- SDSU
- ViaSat
- Nordson
- and upcoming trips to UTI, Peterson Auto Museum, Safari Park, Sea World, and others

### Goal 3:

Our students will attend school more often and improve behavior.

- Attendance rate up a little over 94%
- Maintained school year at 180 days
- Honor level system is working
  - 20% are all stars
  - 80% on Honor Level 1

### Goal 4:

Our students will be prepared for college & career and graduate from high school.

- Graduation rate remains high, will continue this year
  - 4 – 5<sup>th</sup> year seniors have already completed,

- 1 to go
- Concerned about Internships and Apprenticeships
- Over 60% have historically attended college out of TT

**Goal 5:**

Our learning materials, teacher assignment and retention and facilities will promote achievement and academic growth.

- Facility
- Looking at a change in benefits
- Staff salaries were increased 3% for 2017-18.
- We have a budgeted increase of 3% for 2018-19.

**Goal 6:**

Our students will graduate with a sense of confidence in developing relationships with employers and elders. Included in this is the ability to converse with adults and have meaningful interactions.

- Advisory program, Schoolwide Project and Night of Excellence
  - Advisory to be rewritten for 2018-19
  - Schoolwide Projects will be modified to tie more to academics
  - Night of Excellence
    - Open house with the first one was a success
      - More advertisement for 18-19
- Personal Finance
- CTE programs
