_____ I will commit to being at every practice and game unless previously cleared with the coach

_____ I will be at the game venue ready for warm ups 30 minutes before game time

_____ I understand that basketball will span two school breaks (Thanksgiving and Winter Break) and my coach will give me conditioning and skill workouts to keep up during this time.

_____ I will exhibit good sportsmanship in practice and games. I will follow all team rules. First infraction will result in a warning with parent contact, second will be a week suspension from activities and a meeting with coaches, parent, and Athletic Director, and third will be removal from the team.

_____ I will take practice seriously and work hard for the sake of my own skill and the skill of the team overall.

_____ I understand that practice starts when I am released from the dismissal and includes time for a snack and to change into practice gear and clothes.
