Kingsville ISD parents and guardians,

Our school district has been serving dinner after school free of charge through a federally funded program. This program requires the dinner be served after the release bell at the end of the instructional day and for the dinner to be eaten at the school. Although we have been striving to offer this opportunity to every student, the students who ride a bus home after school have often skipped the dinner to ensure they do not miss the bus.

In order to allow the bus riders adequate time to eat dinner at school, the buses will be delayed approximately 15 to 20 minutes starting on Monday, October 6th. Parents may still pick up their students at the regular release time. Thank you for understanding that we are making this bus route adjustment to best serve the needs of all our students.
