

Kindergarten Academy

August 19 - August 23

8:30 - 12:30

Every parent wants their child's first day, week and year of Kindergarten to be a successful one. The Kalmiopsis School would like to offer your child the opportunity to gain confidence and to "get a great start" with our Kindergarten Academy. During this week your child will review:

- Social skills • Fine motor skills • Reading readiness
- Math activities • Science/Art

Each room will have a certified teacher and assistant with no more than 10 students per class. Drop off and pick up will be at the high school cafeteria. There will not be any transportation available during this week.
