

# ATTENTION EDUCATORS!

Pre-K through 12th Grade

## Free Agriculture in the Classroom Workshop

Agriculture can help improve your students' learning experiences. Find out how at this Ag in the Classroom (AITC) Workshop.

During our workshop, you will participate in AITC activities, discover resources available and go home with lots of FREE materials. We will even feed you supper! While the workshop is free, you must pre-register. Visit [aitcla.org](http://aitcla.org) for additional details and to register online.
