Section 2:

Professional Expectations
Section 2.1 Attendance/Tardiness
The District maintains established business hours based on the building schedule. Regularity of attendance and punctuality is essential to the orderly performance of our work. As an employee, you are required to be punctual and regular in your attendance. When you are absent or late for work, your work must be performed by others just as you must perform their work when they are absent. Employees are urged to use sick time sparingly.

You are required to report to work on time and be prepared to start work at your regularly scheduled starting time. You are also required to remain at work through the end of your schedule except for regularly scheduled breaks or authorized leaves. It is important that when you find it necessary to be absent, you contact the Aesop system or notify your supervisor as soon as possible before you are expected to arrive to work, but no later than one hour before your normal scheduled starting time.

Employees requiring a guest substitute need to report their absence as early as possible for the District to schedule the best possible substitute to fill your position. Scheduled absences such as in-services and personal business days need to be reported immediately upon approval to insure your position is filled. Many guest employees also work for surrounding districts and their availability may be limited.

If an emergency arises and you will be absent or tardy, you need to contact your supervisor immediately. In all cases where you may be absent or tardy, you must provide your supervisor with an explanation. Whenever possible, you must also inform your supervisor of when you will arrive or return to work. Absent extenuating circumstances, you must call in on any day you are scheduled to report and will not be able to report.

Excessive absenteeism, whether excused or not, is not acceptable. Each situation of excessive absenteeism or tardiness will be evaluated on a case-by-case basis.

You must provide a doctor’s note for absences of four (4) or more consecutive days for illness. FMLA paperwork may be required to be completed if a serious medical condition is present. Please see Section 4.5 for more information.

Section 2.1a Absence without Pay
If you find it necessary to take a day off without pay, you need to submit your request in writing to your immediate supervisor at least five (5) workdays in advance, whenever possible. Your immediate supervisor may grant permission for a maximum of two consecutive days without pay. The approval of your immediate supervisor and the Assistant Superintendent for Human Resources is required for three (3) or more consecutive days off without pay.

If you are denied time off without pay and you are absent on that day, you are subject to disciplinary action, up to and including discharge.

Section 2.1b Leave of Absences
A request for personal leave of absence, disclosing the reason, must be submitted in writing to the Assistant Superintendent of Human Resources Office and is not to exceed one year in duration. The approval or denial of a personal leave request is at the sole discretion of the District and must be approved by the Board of Education. Paid leaves shall be concurrent with the Family Medical Leave Act (“FMLA”) where applicable.

Section 2.2 Conduct
As a member of the District, employees are expected to accept certain responsibilities, adhere to acceptable business principles in matters of personal conduct, and exhibit a high degree of personal integrity at all times. This not only involves sincere respect for the rights of others, but also demands that both in their
business and personal life, employees refrain from any behavior that might be harmful to them, their co-workers, or the District, or that might be viewed unfavorably by current or potential residents or by the public at large. Whether behavior is during or outside of work hours, employee conduct reflects on the District and the highest standards of professionalism are encouraged at all times.

If your performance, work habits, overall attitude, conduct, or demeanor becomes unsatisfactory in the judgment of the District, based on District policies, rules, regulations, or contract provisions, you will be subject to disciplinary action, up to and including dismissal.

**Section 2.3 Confidentiality**

It is the policy of the District to ensure that the operations, activities, and affairs of our students, their parents, and other employees are kept confidential to the greatest possible extent. If, during their employment, staff members acquire confidential or proprietary information about the District, students, parents, or employees, such information is to be handled in strict confidence and not to be discussed with any individual who does not have a legitimate right to know the information. If an employee discloses student information without parental consent, it can violate federal law. Staff members are also responsible for the internal security of such information. Refer to [Board Policy 8350 - Confidentiality](#) for additional information. Staff members found to be violating this policy are subject to disciplinary action, up to and including dismissal, and may also be subject to civil and/or criminal penalties for violations of the confidentiality policy.

**Section 2.4 Customer Service**

It is the District’s expectation that employees maintain healthy customer relationships with students, parents, co-workers, community members, and all stakeholders related to the school community. We are here to serve. Think long term. Great interactions creates a customer for life. Keeping them happy will keep them loyal and is the best marketing tool you could ever have (word of mouth).

**Section 2.5 Dress Code**

Each employee is a representative of his or her building/department and the District. All employees are expected to dress appropriately for work and be well groomed. Discretion in style of dress, hair and behavior is essential to the professional operation of the District. An employee’s clothing and grooming should not interfere with his/her job duties and disrupt the workplace. Your supervisor may assist you in determining what attire is appropriate. Grandville is a proud school community and every Friday is Spirit Day. Wear your Grandville Gear with pride

Some jobs may have additional restrictions for safety reasons. You may be subjected to discipline for violating this policy. If a uniform is provided, the employee is expected to wear that uniform and to keep it in a clean, presentable condition. **Section 2.7 Identification Badges**

All employees will be issued and are required to wear an employee identification badge in a way that it can easily be observed at all times. Badges are issued when hired or at the District’s discretion. New employees are issued an ID badge when fingerprint results have been received and required new hire paperwork is complete. New employees are to call the Human Resources Office at (616) 254-6573 to schedule an appointment to have their picture taken. The employee will be notified when their ID badge

The Human Resources Department will notify the payroll and technology departments of your new name. If you have insurance benefits through the district you will need to contact the Benefits Manager (x6585) to determine the appropriate forms to complete.

Section 3.11 EMPLOYEES ENROLLED IN MPSERS:
Section 3.11a Pension Plus and Defined Contribution members
Defined Contribution rates for employees who change employers must start at the mandatory rate with
the new employer regardless of the contribution rate in place with the previous employer. Once the employee has been reported by the new reporting unit, the employee may contact the third party administrator and make changes to the member rate.

**Section 3.11b Existing TDP agreements for the purchase of service credit**
Employees with existing Tax-Deferred Agreements for the purchase of service credit may transfer the agreement to the new employer within 90 days of the termination date from your previous employer. **Section 3.11c Employees new to MPSERS**

As a new member, you have 75 days from the date of your first paycheck to enroll in either the Pension Plus Plan or the Defined Contribution Plan. You have defaulted to the Pension Plus Plan and will remain in the Plan unless a New Hire Retirement Plan Election Form is received within the allowable time. Should you choose the Defined Contribution Plan (option 1 on the form); adjustments will be made to prior pays to align with the Defined Contribution Plan. The ORS election information was provided to you in your new employee paperwork. Those forms are also found on the O: Drive in the District Docs and Retirement folders. The state of Michigan also has a new website to aid in making your decision. Please visit [http://www.pickmiplan.org/](http://www.pickmiplan.org/) for more information.

In the Defined Contribution Plan (option 1), you choose not to become a member in the pension system and only into the Defined Contribution Plan. The DC Plan provides a 50% employer match (not to exceed 3%) on voluntary contributions. You can increase or decrease your contributions at any time through Voya Financial. You will also contribute 2% to the Personal Healthcare Fund with a district match of 2%. You can direct questions to the ORS at 1-800-381-5111 or speak to a representative at Voya Financial at 1-800-748-6128 or by going to [https://stateofmi.voyaplan.com](https://stateofmi.voyaplan.com)

The Pension Plus Plan (option 2) combines a graded contribution to the pension system (3% of first $5,000 in wages, 3.6% of wages from $5,001-$10,000 and 6.4% of wages over $10,000 each year) with a savings component through Voya Financial (your Defined Contribution). You are currently saving 2% of your gross pay and the district is matching at the maximum of 1%. You also have an additional 457 account to save towards health care costs in retirement (it is a normal 457 though, not a health reimbursement account). You are contributing 2% to the personal healthcare fund and the district is matching at the maximum of 2%. You should receive information from Voya Financial through the mail regarding your accounts. Job/position descriptions may be general in nature and not address each duty and responsibility required of the job/position. The employee is expected to be able to perform the essential functions of the job/position. Refer to **Board Policy 1400 – Job Descriptions**.

Employees covered by a master agreement should read the agreement for details governing the conditions of their personal leave. Please refer to **Board Policies 3430 and 4430 – Leaves of Absence** for further information.

**Section 5.21 Liability and Risk Management**

**Section 5.22 Mandatory Reporting – Child Abuse and Neglect**
District employees are reminded of their obligation, by law and District policy, to report suspected child abuse or neglect to the appropriate authority. Under the Michigan Child Protection Law, MCL 722.623b, a school administrator, counselor, social worker, psychologist, or teacher who has reasonable cause to suspect child abuse or neglect must immediately, by telephone or otherwise, make an oral report of suspected child abuse or neglect to Family Independence Agency. Within 72 hours after making the oral report, the reporting person shall file a written report with the Family Independence Agency. The identity of the reporting person is generally confidential. Any person acting in good faith in making such a report, cooperating in an investigation, or assisting in any other requirements of the act, is immune from civil or criminal liability.

While the Child Protection Law reporting requirements apply to only school administrators, counselors, social workers, psychologists, and teachers, it is the District’s expectation that any employee, regardless of position, who has reasonable cause to suspect child abuse or neglect will immediately report that suspicion to his or her supervisor or other District administrator. This policy is applicable regardless of whether the person suspected of abuse or neglect is another District employee. The District also expects
Your failure to do so can compromise the subsequent investigation of any incident to the possible detriment of either a student or another employee. Refer to Board Policy 8462 – Student Abuse and Neglect for additional information.

**Section 5.23 Mileage Reimbursement**

If you are required to drive your own vehicle while performing your job, you are eligible to be reimbursed for mileage at the prevailing Internal Revenue Service maximum mileage reimbursement rate.

You must complete, sign, and submit your mileage form to your immediate supervisor for approval before reimbursement will be provided.

**Section 5.24 Personal Protection Order (PPO)**

Any employee that has been awarded a Personal Protection Order by the court against an individual must notify his/her supervisor if there is any possibility that person may attempt to make contact with the employee at the workplace. Members of the staff who have obtained a protective order should supply a copy of the order to the Superintendent. Other parties may also be informed when deemed necessary for the safety of the School District personnel.

**Section 5.25 Personnel Files**

State law governs the maintenance and disclosure of employee personnel files. The “Bullard-Plawecki Employee Right to Know Act,” MCL 423.501, defines what constitutes a “personnel record,” limits its use, provides for employee review, and restricts its disclosure to third parties.

You have a right to examine your personnel file. If you wish to examine your file, you may do so during normal office hours by calling the Human Resource Office (x6573) and prearranging a time. All procedures, including payment for copies are in accordance with the Bullard-Plawecki Right to Know Act.

Requests for disclosure of a personnel file to another party will be handled in accordance with the Bullard-Plawecki Act, and other applicable laws, including but not limited to the Michigan Freedom of Information Act and Revised School Code Section 1230b, MCL 380.1230b. You will be notified of such a request.

**Section 5.26 Resignation Procedures**

As a matter of courtesy, support staff employees who desire to leave Grandville Public Schools are expected to give at least 14 calendar days’ notice in writing. An employee shall be paid earned salary to the date of which employment terminates. Employees whose employment is terminated by the school district, and resigning employees who give the requested notice, will be paid for accumulated but unused vacation according to the terms of their collective bargaining agreement.

Administrators and certified staff are expected to give at least 90 days’ notice in writing to the Assistant Superintendent of Human Resources with a copy given to the direct supervisor.

The employer’s contributions to insurance plans will be made through the end of the month in which termination occurs.

Section 5.27 Safe and Secure Environment
Effective January 1, 2006, new statutory amendments to the Revised School Code require criminal history checks by the Michigan State Police and criminal records checks by the Federal Bureau of Investigation for all employees assigned “regularly and continuously” to work under contract in any school. In addition, anyone employed after January 1, 2006 must have a criminal history check and criminal records check completed prior to employment.

Michigan law allows the school district to employ individuals as conditional employees before the criminal history check and criminal records check are received if employment will commence during the school year or within 30 days of the start of the school year. The legislation, commonly referred to as the School Safety Initiative, prohibits a school district from hiring, or continuing to employ, any person convicted of a crime listed and defined under the Sex Offenders Registration Act (SORA). An employee convicted of a felony other than a “listed offense” may not continue in their employment unless approved in writing by the District’s Board of Education and the Superintendent.

Any employee charged with a crime under Section 1535a (1) or 1539b (1) of the Revised School Code must notify the Superintendent within three (3) business days after being arraigned for the crime. The Superintendent must also be notified by the employee if he/she enters a plea of guilty or no contest to or is the subject of a finding of guilt by a judge or jury of any crime after having been initially charged with a crime described in Section 1535a(1) or 1539b(1).

This legislation has very strict requirements for both the school district and employees. If you have any questions as to whether you need to report any incident of a criminal nature, please contact the Assistant Superintendent of Human Resources. Refer to Board Policies 3121 and 4121 – Criminal History Record Check, 3121.01 and 4121.01 – Criminal Conviction Review for additional information.

Section 5.28 Solicitations/Distribution
Staff members and non-staff members shall not use school property or school time to solicit or accept customers for private enterprises without written administrative permission. Staff members may not distribute literature or printed materials of any kind, sell merchandise, solicit financial contributions, or solicit for any other cause during working hours. This includes using district email, staff mailboxes, staff lounges, etc. Staff members may not use school mailboxes in any way that violates the Michigan Campaign Finance Act. Staff may use the electronic staff bulletin board for these purposes. Refer to Board Policies 3110 and 4110 – Conflict of Interest for more information.

Section 5.29 Student Seclusion and Restraint
District staff members may need to restrain and seclude students under certain emergency circumstances. This must be done only as a last resort if students pose a threat to themselves or others. All such intervention shall only be done in accordance with standards adopted by the State Board of Education regarding the use of student restraint and seclusion.

Section 5.30 Transporting Students/Vehicle Insurance
It is a general rule of thumb that employees should NEVER transport students. If you must use your vehicle while performing or acting on authorized Grandville Public Schools business, you are required to have motor vehicle insurance (at your own expense), or be personally responsible equal to the State of Michigan minimum insurance requirements. If you do not have insurance and you are requested to use your vehicle, you must notify your supervisor, in writing, before using your vehicle for any school
business. See Board Policy 8660 – Transportation by Private Vehicle for more information.

Teachers must complete the Administrative forms 8660F1 and 8660F2 prior to each and every trip using their personal motor vehicle to transport students while acting on authorized Grandville Public Schools Business. Forms can be found in the forms section of Board Policy.

**Section 5.31 Tutoring**
Staff members may not accept fees for tutoring when such tutoring is conducted during the normal workday. Staff members may not accept fees for tutoring, private lessons, or other activities related to their professional duties for students currently enrolled in (1) or more of their classes or on their caseload. Should exceptions to this policy be necessary in order to provide services to students or clients of the School District, all such exceptions will be made known to the employee’s, officer’s or agent’s supervisor and will be disclosed to the Superintendent before entering into any private relationship. For additional information, see Board Policy 3110 – Conflict of Interest and 3231 – Outside Activities of Staff.

**Section 5.32 Universal Procedures/Bloodborne Pathogens**
A Bloodborne Pathogens Exposure Control Plan is available in each facility for your review. It contains details on the District’s compliance with the Occupational Safety and Health Administration (OSHA) standards pertaining to job duties of designated first aid providers, locations of hazardous waste containers, vaccine information, and forms for record keeping. For your own protection, you are encouraged to practice universal precautions to prevent the transmission of bloodborne diseases.

This includes the use of latex gloves when dealing with another person’s body fluids. Hepatitis B vaccine is offered to at-risk employees. Should you be exposed to another person’s body fluids, you are required to report this immediately to your immediate supervisor and complete an Incident Report. You will be provided the necessary medical care, including the vaccine, if a medical doctor retained by the District recommends it. For additional information, see Board Policy 0453 – Direct contact Communicable Diseases, and 8453.01 – Control of Bloodborne Pathogens.

**Section 5.33 Weapons on School Property/Right to Carry**
The Board of Education of Grandville Public Schools, as both an employer and a public school district, is concerned with and interested in protecting the health, safety, and welfare of students, employees, and visitors. The Board recognizes that school buildings, facilities, vehicles, grounds and other school property are best utilized in the educational process, in the absence of threats to physical well-being and safety, by individuals possessing weapons and/or dangerous weapons.

The possession or concealment of any kind of weapon or dangerous instrument, device, materials, knife, gun, metal knuckles, tools, nun-chucks, mace, pepper gas, look alike weapons, objects used as weapons, etc. or any other item deemed to be a weapon is strictly prohibited. For additional information, see Board Policies 3217, 4217, and 7217 - Weapons.
Section 6:

Technology
Section 6.1 District Telephones
Telephones are maintained for school business. Use of school phones for personal convenience of employees is limited to necessary calls. Employees are expected to ask family members and friends not to call them at work unless there is an emergency.

Section 6.2 Electronic Information Policy
The District expects the staff and students to conform to ethical and legal standards in the use of technology/email and to demonstrate knowledge and responsibility in the use of resources, processes and systems of technology. All users of the District’s technology/e-mail will comply with the terms of the Technology Policy Board Policies, 7540.01 – Technology Privacy, 7540.04 – Acceptable Use Policy, 7540.05 – Electronic Mail, 7545 – Electronic Communications, and 7550 – Joint Use of Facilities. Use of the District’s email system is a privilege. All employees are required to sign an AUP Form before access is provided. Inappropriate use of these resources may result in disciplinary action, including the possibility of dismissal and/or referral to legal authorities. The District may limit, suspend, or revoke network and/or Internet access for inappropriate use of electronics and social media.

Personal use of District technology should be limited to before and after scheduled work hours and during duty-free breaks.

Section 6.3 Internet – Acceptable Use
It is the responsibility of an employee who is aware of conduct on the part of any Board member or employee that possibly violates Federal or State law, or Board policy, to call this conduct to the attention of his/her immediate supervisor. If the employee's immediate supervisor is not responsive or is the employee whose behavior is in question, the employee may report to the Superintendent. If the reported conduct relates to the Superintendent, the report may be filed directly with the Board President. Employees are subject to disciplinary action, up to and including termination, for knowingly making a false report under this policy.

Section 6.4 Wireless Communication Devices
The district provides all employees with access to a computer along with a district email account. It is an expectation that all employees access their district email, which serves as a significant mode of communication.

During work hours, personal communications made or received, regardless of whether on a wireless communication device, regular telephone, or network computer, can interfere with employee productivity and/or distract others. Employees are expected to use discretion in using personal wireless communication devices while at work. Employees are asked to limit personal communication to duty-free breaks and lunch period. Employees are responsible to inform friends and family members of the Board’s policy in this regard. Please refer to Board Policy 7530.02 – Staff Use of Personal Communication Devices for more information.
Section 7:

Regulatory Compliance
Section 7.1 Nondiscrimination and Equal Employment Opportunity
The District does not discriminate on the basis of race, color, religion, national origin, sex, disability, age, height, weight, marital status, genetic information, or any other legally protected characteristic, in its programs and activities, including employment opportunities.

The District's Compliance Officer is responsible for ensuring that Federal and State regulations are complied with and that any inquiries or complaints are dealt with promptly in accordance with the law. The Compliance Officer shall also ensure that the proper notice of nondiscrimination for Title II, Title VI, and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, and Section 504 of the Rehabilitation Act of 1973 is provided to students, parents, staff members, and the general public. (Board Policy 3122 or 4122 - Nondiscrimination)

Section 7.2 Nondiscrimination Policy
It is the policy that the District will not discriminate and will comply with the requirements of Title II of the Americans with Disabilities Act of 1990, Elliot-Larsen Civil Rights Act of 1977, Title IX of the Education Amendments of 1972, Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973.

The District's Compliance Officer is responsible for ensuring that Federal and State regulations are complied with and that any inquiries or complaints are dealt with promptly in accordance with the law. Section 7.3 Age Discrimination Act of 1975
No Person shall, on the basis of age, be excluded from participation, in be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.

Section 7.4 Americans with Disabilities Act of 1990 (Title II)
The Americans with Disabilities Act (ADA) prohibits discrimination against individuals with disabilities. The District complies with the Americans with Disabilities Act and all other applicable state and local laws providing for nondiscrimination in employment against qualified individuals with disabilities. The District provides reasonable accommodations for such individuals in accordance with these laws.

Qualified individuals with disabilities may make requests for reasonable accommodation to the District Equal Employment Opportunity (EEO) officer. On receipt in writing and within 182 days of request for an accommodation, the EEO officer will meet with the requesting individual to discuss and identify the precise limitations resulting from the disability and the potential accommodations that the District may make to help overcome those limitations.

The designated EEO officer for the District is the Assistant Superintendent for Human Resources at (616) 254-6589.

Section 7.5 Copyright and Fair Use Laws
The District recognizes that with the increased access to materials of all kinds, that there must be adherence to current copyright laws, which by definition is the body of federal law (found in Title 17 of the United States Code), that protects intellectual property. This includes a person or entity's lawful right to claims of ownership or authorship as outlined in the law. The Board of Education directs its staff to use copyrighted works only to the extent that the law permits. The Board recognizes that Federal law applies to public school districts and the staff must, therefore, avoid acts of copyright infringement under penalty law.
The fair use of a copyrighted work for purposes such as: criticism, comment, new reporting, teaching (including multiple copies for classroom use), scholarship, or research, is not an infringement of copyright. In determining whether the use made of a work in any particular case is a fair use the factors to be considered shall include:

1. the purpose and character of the use, including whether such use is of a commercial nature or is for nonprofit educational purposes;
2. the nature of the copyrighted work;
3. the amount and substantiality of the portion used in relation to the copyrighted work as a whole; and the effect of the use upon the potential market for or value of the copyrighted work as a whole; and
4. the effect of the use upon the potential market for or value of the copyrighted work.

Any questions or concerns regarding “Fair Use” of materials should be directed to the Director of Technology at (616) 254-6583.

Section 7.6 Elliott-Larsen Civil Rights Act 453 of 1976
The Elliott-Larsen Civil Rights Act 453 of 1976 prohibits discriminatory practices, policies, and customs in the exercise of those based upon religion, race, color, national origin, age, sex, height, weight, familial status, or marital status; to preserve the confidentiality records regarding arrest, detention, or other dispositions in which a conviction does not result; to prescribe the powers and duties of the civil rights commission and the department of civil rights; to provide remedies and penalties; to provide for fees; and to repeal certain acts and parts of acts.

Section 7.7 Family Educational Rights and Privacy Act (FERPA)
The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

Parents of students or eligible students, who have attained the age of eighteen, have rights under the Family Educational Rights and Privacy Act of 1974, (i.e., FERPA). In view of this, and to ensure compliance with FERPA, the following is expected of all employees: NEVER discuss individual students with others unless the person is a school official with a legitimate educational interest. A school official has a legitimate educational interest if the official has direct or delegated responsibility for helping the student achieve one (1) or more of the educational goals of the District, or if the record is necessary in order for the school official to perform an administrative, supervisory or instructional task or to perform a service or benefit for the student or the student’s family.

FERPA gives parents certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student’s education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student’s education record. However, FERPA allows schools to
disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and

State and local authorities, within a juvenile justice system, pursuant to specific State law. Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

**Section 7.8 Harassment**

Harassment is unlawful under both Michigan and federal law and is contrary to the commitment of the District to provide a safe and effective learning and work environment. The District’s policy prohibits sexual harassment of students, employees, Board members, volunteers, contractors, or applicants for employment. Harassment of staff (including those who volunteer their services) or applicants for employment is prohibited, and will not be tolerated. This includes inappropriate conduct by any person in the school environment, including other employees, Board members, parents, guests, students, contractors, vendors and volunteers. It is the policy of the District to provide a safe, positive work environment free of harassment for its entire staff. The District does not tolerate any form of workplace hostility or threats.

Harassment is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a staff member's ability to perform his/her job. This would include harassment based on any of the legally protected characteristics, such as sex, race, color, national origin, religion, age, height, weight, marital status, genetic information or disability. This policy, however, is not limited to these legal categories and includes any improper harassment that would negatively impact a staff member. This would include such activities as stalking and unwelcomed taunting, teasing or intimidation. A complainant will not be required to interact with the alleged harasser in fulfilling his/her job duties.

Any staff member who believes this policy has been violated should notify his or her supervisor immediately, and prompt action will be taken to ensure the individual's safety and well-being. Staff members who believe that the supervisor has not or cannot adequately address this problem are encouraged to speak with the Assistant Superintendent of Human Resources or the Superintendent. Refer to **Board Policies 3362 and 4362 – Anti-Harassment**.

**Section 7.9 Right-to-Know Law**

Safety Data Sheets (SDS) listing the contents of all substances containing toxic properties used in the District are available to you. Each facility has access to the Right-to-Know manual that outlines this information. This is done in compliance with Michigan law. For questions, contact the Director of Maintenance and Operations at (616) 254-6534. Refer to **Board Policies 8405 – Environmental Health**.
Section 7.10 Section 504 of the Rehabilitation Act of 1972
Individuals with a disability in the United States, as defined in section 705 (20) of the Section 504 of the Rehabilitation Act of 1972 shall, solely by reason of their disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

The law requires that the District provide a reasonable accommodation to a qualified employee with a disability so that the employee may perform the essential functions of a job, or may enjoy the benefits and privileges of employment equal to those enjoyed by employees without disabilities, unless doing so would cause a significant difficulty or expense (“undue hardship”) for the District. An employee with a disability who believes that a job accommodation is necessary must notify the Assistant Superintendent of Human Resources in writing of the requested accommodation. Refer to Board Policies 3122 or 4122 - Nondiscrimination for additional information.

Section 7.11 Title VI of the Civil Rights Act of 1964
Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, and national origins in programs and activities receiving federal financial assistance.

Section 7.12 Title VII of the Civil Rights Act of 1964
Title VII of the Civil Rights Act of 1964 (Title VII) prohibits discrimination based on race, color, sex, religion, or national origin, and the Americans with Disabilities Act (ADA) prohibits discrimination on the basis of disability.

Section 7.13 Title IX of the Education Amendments of 1972
Title IX prohibits discrimination based on sex in education programs and activities in federally funded schools at all levels. If any part of a school district or college receives any Federal funds for any purpose, all the operations of the district or college are covered by Title IX.

Title IX protects students, employees, applicants for admission and employment, and other persons from all forms of sex discrimination, including discrimination based on sexual orientation, gender identity, failure to conform to stereotypical notions of masculinity or femininity, sexual harassment, or sex violence. All students (as well as other persons) at recipient institutions are protected by Title IX – regardless of their sex, sexual orientation, gender identity, part- or full-time status, disability, race, or national origin- in all aspects of a recipient’s educational programs and activities.
Section 8:
Grievance Procedure
Section 8.1 Section I
Any person believing that the Grandville Public Schools or any part of the school organization has violated the laws or regulations of (1) Title VII of the Civil Rights Act of 1964, (2) Title IX of the Education Amendment Act of 1972, (3) Section 504 of the Rehabilitation Act of 1973, (4) the Age Discrimination Act of 1975 and (5) Title II of the Americans with Disability Act of 1990 may bring forward a complaint, which shall be referred to as a grievance to the Compliance Officer.

Section 8.2 Section II
The person who believes a valid basis for a grievance exists shall discuss the grievance informally and on a verbal basis with the Assistant Superintendent of Human Resources, who shall in turn investigate the complaint and reply with an answer within ten (10) business days. If the complainant feels the grievance is not satisfactorily resolved, they may initiate formal procedures according to the following steps:

Section 8.2a Step 1
A written statement of the grievance signed by the complainant shall be submitted to the Assistant Superintendent of Human Resources within ten (10) business days of receipt of answers to the informal complaint. The Assistant Superintendent of Human Resources shall further investigate the matters of grievance if he/she believes further investigation is warranted and reply in writing to the complainant within ten (10) business days.

Section 8.2b Step 2
A complainant wishing to appeal the decision of the Assistant Superintendent of Human Resources may submit a signed statement of appeal to the Superintendent of Schools within ten (10) business days after receipt of the Assistant Superintendent’s response. The Superintendent shall meet with all parties involved, formulate a conclusion, and respond in writing to the complainant within ten (10) business days.

Section 8.3c Step 3
If unsatisfied, the complainant may appeal through a signed, written statement to the Board of Education within ten (10) business days of receiving the Superintendent’s response in Step 2. In an attempt to resolve the grievance, the Board of Education shall meet with the concerned parties and their representatives within forty (40) days of the receipt of such an appeal. A copy of the Board’s disposition of the appeal shall be sent to each concerned party within ten (10) days of this meeting.

The days noted above for purposes of this policy are days when the School District’s business office is open for business to the general public. The Assistant Superintendent of Human Resources if warranted may extend the time limits noted above.

Section 8.3 Investigation and Complaint Procedure
All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct. Thereafter, the CO or designee must contact the employee within two (2) business days to advise him/her of the Board’s intent to investigate the alleged wrongdoing.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).
Section 8.3a Informal
An individual who believes s/he has been unlawfully discriminated/retaliated against may make an informal complaint, either orally or in writing: (1) to a building administrator; (2) directly to one of the COs; and/or (3) to the Superintendent or other District-level employee.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint.

Section 8.3b Formal
An individual who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant"), may file a formal complaint, either orally or in writing, with a Principal, the CO, Superintendent, or other District-level employee. Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a Principal, Superintendent, or other District-level employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or the designee, the Superintendent must either issue a final decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

The decision of the Superintendent shall be final.
