August 13, 2018

Dear Pendleton Families and Community,

Welcome to the 2018-2019 school year! My name is Shin Park and I am excited and honored to introduce myself as the next principal of Mabel L. Pendleton School. I am truly looking forward to working with all of you to provide an exceptional educational experience for each and every one of our students. One of my top priorities is to build relationships with students, teachers, staff members, parents, and community groups to learn as much as I can about the school. With your input and feedback, we can collaborate to improve existing programs and brainstorm together to create and implement new learning opportunities for students that are engaging and challenging.

I believe in the importance of early literacy and will work closely with teachers to emphasize a balanced literacy approach to support all students. We will continue to leverage our technology resources to support the skills necessary for college and career: critical thinking, collaboration, communication, and creativity.

We are proud to announce that we are a one to one iPad school for all students from Kindergarten to sixth grade. We have updated our school website so that it is more user friendly and easier to find necessary information. Please feel free to email me at spark@bpsd.k12.ca.us with any questions, suggestions, or comments.

We are excited for all of the great things in store for Pendleton Elementary School. Thank you.

Sincerely,

Shin Park
Principal
Pendleton School
