Guidelines to a Safe Event at Titan Bowl & Billiards

Bowling Center Rules

1. EVERY person who bowls must wear bowling shoes. We have socks available for purchase if you do not have your own.
2. Please throw only one ball down the lane at a time. If your bowling ball is not returning to you, notify a TB&B attendant for assistance. DO NOT continue to throw balls down the lane in an attempt to knock the original ball free. DO NOT hit the Brunswick pin sweeper button.
3. For all issues with the lanes, please notify the TB&B attendant. Do not try to fix problems yourself. Our staff has been trained to handle most problems quickly and safely.
4. Please remain behind the foul line; the foul line is the black line between the actual lane and the "approach". The lanes are oiled beyond that line and you could seriously hurt yourself slipping on the surface.
5. Please do not loft the balls high in the air. This causes major damage to the lanes.
6. If bumpers are up, do NOT attempt to bounce the ball off of them intentionally.
7. Do not send your bowling ball down any lane other than yours (lane-jumping).
8. Please keep all food and drink off of the approach and lanes. Notify an attendant if you spill anything, so that we may clean it as soon as possible.
9. Please return the balls to the racks and the shoes to the desk upon completion of your event.

Billiards/Foosball/Table Tennis/ Arcade/Lounges Rules

1. Running in our facility is not permitted at any time.
2. Shoes must be worn at all times.
3. Do not place food or drinks on any equipment.
4. Please do not sit or lean on the pool tables or rails.
5. If something is wrong with an arcade game, please do not put more money into the machine. Notify an attendant for assistance.
6. All billiards, foosball, and table tennis equipment should be returned to the front desk upon completion of your event. For large parties, we may ask that billiard balls be racked on the billiard tables for us to collect before your party checks out.

CALIFORNIA STATE UNIVERSITY, FULLERTON™

Guidelines to a Safe Event at Titan Bowl & Billiards

General Facility Rules and Guidelines

1. TB&B staff are here to help ensure that your event is a success. Please contact them with any concerns or questions.
2. If any building alarms sound, the attendant will provide instructions to your group over the sound system. Please follow their instructions quickly; they have been trained for these situations.
3. All TB&B staff are trained First Aid and CPR/AED responders. Should your party include minors, we must ask for a present parent's or guardian's permission to provide care. In the absence of such a person, care will be provided as necessary.
4. managers will remove them in accordance with our building operating policies.
5. If at any time we feel that equipment is being misused or abused or that someone is behaving in an unsafe manner, we will revoke permission to use the equipment from that person or group.

By signing below, I acknowledge that I have read and understand the "Guidelines to a Safe Event at Titan Bowl and Billiards," and will make sure I follow these rules during my time at Titan Bowl and Billiards.
