

## **Silver Valley Elementary School Title I Parent Involvement Policy**

Silver Valley Elementary is identified as a Title I school as part of the Every School Succeeds Act, which provides additional money to qualifying schools. The Davidson County School System believes in the partnership between parents, students, and schools to assure student success. It also encourages and provides training opportunities for the parent or interested adult to be a team player in the education of children.

Silver Valley Elementary School will:

- Offer a minimum of four parent training workshops, including an annual public meeting to inform parents about the school-wide Title I program.
- Offer a flexible number of meetings/workshops/parent conferences that will lead to improved student achievement.
- Provide parents timely information about curriculum, assessment, and student progress.
- Assist parents in understanding state academic content and student performance standards.
- Make every effort to communicate in a language parents can understand.
- Provide opportunities for parents to give feedback or suggestions for improvement of school and academic programs.

All Title I stakeholders will be provided the opportunity to sign a compact to help students succeed. The Silver Valley Compact identifies contributions each stakeholder can make to ensure that every student meets state student performance standards.
