

Using iPad with Apple TV

Make sure Projector is turned on. Turn Apple TV on by clicking Menu on the Apple remote. Make sure projector is projecting Computer Input 2 (1 is Elmo/Laptop, 2 is Apple TV) (you can click on Input button on Projector to switch between Inputs..)

To enable AirPlay Mirroring on your iOS 8 device, follow these steps:

1. Connect your iOS device and your Apple TV to the same Wi-Fi network (should already be connected to SWSD).
2. Swipe up from the bottom of your screen to access [Control Center](#) (Make Sure Wifi  and Bluetooth  buttons are white/on).
3. Tap AirPlay.

4. Tap the name of the Apple TV you wish to AirPlay to (ATV-LV-RM## - ## being your room number), make sure Mirroring is green, otherwise, tap on Mirroring to make it green. (The first time you connect, it will display a code on the screen, enter that code on your iPad when/if prompted)
