

Title IX Notice - California SB 1375

California Senate Bill 1375 enacted July 1, 2017, added a section to the Education Code 221.61, relating to Educational Equity, requiring public schools post in a prominent and conspicuous location on the Internet websites, specific information relating to Title IX of the Educational Amendments of 1972 (Title IX) to promote the goal of providing greater levels of gender equity in schools.

If you have a concern about your Alliance school, please contact the School Administrator at 323-739-0560

For more information regarding the State's Gender Equity requirements, please visit the California Department of Education Gender Equity/Title IX web page [here](#).

To file a formal complaint, please contact Alliance Title IX Coordinator at compliance@laalliance.org.
