

Special Milk Program 2018-2019

Milk will be available **only** on a **prepaid basis**. A **one-time** payment of **\$18.00 per student** will cover your child's daily milk purchases from September 4, 2018 through June 13, 2019. You may notice this per pupil amount has vacillated from year to year. The cost of milk delivery and a variable annual subsidy cause prices to fluctuate. Please discuss this with your child(ren), as there can be no refunds and no pro-rating for signups done later in the year. Thanks to a special program offered to us through the Office of Superintendent of Public Instruction Child Nutrition Services, you'll save \$44.90 over the year on ½ pint 1% milk delivery with this prepaid system.

This enrollment form for milk must be received no later than Wednesday, August 29, 2018 to ensure milk availability on Tuesday, September 4th.

Payments received after August 29, 2018 may require up to 1 week to process.

The total milk amount will be paid through FACTS. Please return this form with your students name on it if you are signing up for milk.

Family Name: _____

(Please Print Legibly)

Student: _____ Grade & Teacher: _____
First, Last Name

Student: _____ Grade & Teacher: _____
