Screening/Exam Permission Form

The School Health Act of the State of Pennsylvania requires that:

Each child on school entry, 6th, and 11th grade have a physical exam.

Each child on school entry, 3rd and 7th grades have a dental exam.

Each child on school entry, 1st, 2nd, 3rd, 7th, and 11th grades have a hearing test.

Each child have a vision test annually.

Each child be weighed and measured, and have BMI calculated annually.

Each child be screened for scoliosis in 6th and 7th grades.

In addition to the above required services, we also provide:

Blood pressure screening for each child in kindergarten, 6th, and 11th grades.

***Any child who turns in the appropriate private physical or private dental exam form will be exempt from the school physical/dental exam.**
