

SPN Ornaments for Santa Secret Shop

The Grandparents Club is again selling ornaments. They have been very popular in the past years. This is our 4th year and we have had a different ornament each year. This year they are translucent red with the white school logo. A proof of the ornament can be seen on the Grandparents Club section on the school's website.

The Ornaments are available through pre-orders only and will be distributed when the children come to Santa's Secret Shop in December. Since students below Kindergarten do not go to Santa's Secret Shop, they will receive their ornaments through their teachers. Dr. Stack will order the ornaments for the 7th graders again this year, so those parents won't have to order for them.

Each ornament is \$5.00 including the personalization, if desired. It is 3" round and shatterproof and comes in its own gift box.

If you are interested in preordering an ornament(s), please return the bottom section with the appropriate payment. The deadline for ordering is Friday, October 12th.

PLEASE PRINT

In order to not double up on a student, please be specific especially with the last names.

First and Last name of the Child picking up the Ornament(s) _____

Homeroom _____

Number of Ornaments ordered _____ Amount enclosed _____

If you would like to have the ornament personalized (on the back of the ornament), please indicate in the space below. Example: Susan 2018 or 2018
