

The following list covers the supplies that your child will need for the 5th Grade in September. Please only get the supplies for your child's homeroom teacher.

If you don't know who your homeroom teacher is, you should try to get as much of the common items as possible and the remainder can be brought in later.

We are requesting that you send these supplies with your child at the start of the first week of school. It will make their start in the 5th grade much easier if they are prepared for instruction.
