

NOTICE OF PUBLIC HEARING OF THE HEMET UNIFIED SCHOOL DISTRICT RELATING TO CONSIDERATION OF APPROVAL OF A SCHOOL FACILITIES NEEDS ANALYSIS AND CONSIDERATION OF ADOPTION OF ALTERNATIVE SCHOOL FACILITY FEES IN COMPLIANCE WITH GOVERNMENT CODE SECTIONS 65995.5, 65995.6, 65995.7

Please be advised that the Governing Board (“Board”) of the Hemet Unified School District (“District”) at a Public Hearing to be held on May 7, 2019 will review and consider approval of the **SCHOOL FACILITIES NEEDS ANALYSIS** (“SFNA”), prepared as of April 2019, and consider adoption of a resolution approving the SFNA and approving alternative school fees in compliance with Government Code Sections 65995.5, 65995.6, 65995.7. Pursuant to Government Code Section 65995.5(b), the District must conduct and adopt an SFNA as one of the prerequisites to levying alternative school fees on new residential construction within the District in excess of those established in amounts specified in Government Code Section 65995.

In compliance with Government Code Section 65995.6(a), the SFNA of the District includes information regarding the projection of the number of unhoused pupils generated by various types of new residential units, in each category of pupils enrolled in the District. The projection of unhoused pupils is based on the historical generation rates of new residential units constructed during the previous five (5) years that are of a similar type of units to those anticipated to be constructed either in the District or the city or county in which the District is located, and relevant planning agency information, such as multi-phased development projects, that may modify the historical figures. In accordance with Government Code Section 65995.6, the SFNA also contains an updated calculation of existing school building capacity, calculated pursuant to Education Code Section 17071.10, *et seq.*

The SFNA is available for public review at the District’s offices, located at 1791 West Acacia Avenue, Hemet, California and is herein incorporated by reference. Any person may obtain a copy of the SFNA at the District’s offices. To receive a copy of the SFNA by mail please contact Jesse Bridwell at the District at (951) 765-5100.

The Public Hearing of the District to be held May 7, 2019 will begin at 6:30 p.m. at the Professional Development Service Center Board Room, located at 1791 West Acacia Avenue, Hemet, California. These matters will be considered at such time as this agenda item is considered by the Board of the District.
