Do You Love Acting, Dancing, & Spoken Word Poetry? Apply for "Empowerment Tales" Summer 2020!

Remote Summer Program!

Empowerment Tales is a youth program which provides opportunities for young people, ages 14-18, with and without disabilities, to participate in the development of acting, dancing, spoken word poetry, and dramatic storytelling based on their lived experiences. We aspire to create a safe, nurturing environment in which youth may explore their purpose, find and express their voices, and become empowered.
