Some highlights from our Christmas season...

BONNIE NEWS

WREATHS LIGHT UP FHA

Fontbonne's Office of Alumnae Relations celebrated its second annual Wreath Lighting! Thanks to the generosity of our parents, alumnae, and business sponsors, we were able to light our property along Shore Road and 99th Street. The Student Council served hot chocolate and cookies after we were serenaded by our Chorus. It was a lovely evening and we look forward to seeing you all next year!

TROOPS RECEIVE FONTBONNE CARE PACKAGES

The Students for Soldiers Club held a Christmas Care Package Drive. With the help of the Fontbonne community, the club organized and sent 21 packages (approximately 300lbs of supplies, toiletries and snacks) to troops in Iraq, Afghanistan and Africa!

LIFESTREAM LEADS PET DRIVE

Fontbonne Dressed Down for Dogs and Cats! All money collected was donated to Pet Partners and The Good Dog Foundation who provide therapy dogs to people in need of positive and soothing energy at health care/educational organizations and disaster sites around the country. Lifestream also held a collection drive for dogs and cats of North Shore Animal League waiting to be placed in their forever homes. Thank you to Boogie and Luna for visiting our campus!

NURSING HOME SURPRISED WITH HOLIDAY CHEER

Members of Friends for Life, and Fontbonne's chorus, visited the Hamilton Nursing home on 92nd street to bring some holiday cheer to the elderly and the infirmed. 28 students, along with Mr. Bailey and Ms. Connolly, went from floor to floor singing classic Christmas songs, and bringing joy to those who often have no one to visit them. Many of the patients sang along and were so grateful for the

visit. It was a wonderful experience for the faculty and students as well!

STUDENTS ENJOY THEATER EXPERIENCE

10th grade students visited The Chamber Theatre Production of Encore, which highlights the works of five great authors: Edgar Allan Poe, Washington Irving, W.W. Jacobs, Guy de Maupassant, and Mark Twain. Each tale was brought to life on stage and allowed students the opportunity to see and hear stories previously left only to their imaginations.

CHORUS MEMBER SINGS AT CARNEGIE HALL

Congratulations to 10th grade student and FHA Select Chorus member Joanne Centeno who performed at Carnegie Hall!

Joanne sang with the Children's Choir at the 15th Annual "Christmas in Italy" concert. The production raised funds for children's causes.
