

SUGGESTED 4th GRADE SUPPLY LIST

One of the activities many children look forward to each August is shopping for school supplies for the upcoming school year. Having “self-selected” school supplies creates opportunities for children to learn valuable lessons in taking care of, and responsibility for, their belongings. Therefore, to assist you in planning for fourth grade, we would like to give you the following information regarding school supplies. Having this information now will hopefully allow you to take advantage of the summer sales on school supplies!

Please note that students will be provided with a container in which to house all supplies. **Therefore, students DO NOT need to bring a pencil box of any kind.**

Please label all supplies with your child’s name.
