Robert J. Voors, Ed.D.
Superintendent

Dear Parent/Guardian,

As part of the standard curriculum for **4th and 5th grade**, the Glendora Unified School District is proud to offer a music instruction program, which meets every other day for 40 minutes. Students may choose between the choral program or the instrumental program - **both** have performance opportunities throughout the school year. These programs are made possible through the continuous support of the Glendora Education Foundation (GEF).

4th GRADE OPTIONS

1. Choral program: singing, rhythm instruments, music theory and appreciation.

OR

2. Instrumental program: beginning instruction on string instruments (violin, viola, and cello).

5th GRADE OPTIONS

1. Choral program: singing, drumsticks, music theory and appreciation.

OR

2. Instrumental program: advanced instruction on string instruments (one year previous instruction required), or beginning instruction on wind instruments (flute, clarinet, alto saxophone, trumpet, trombone, or baritone).

3rd/4th COMBO: Third graders in a combination class may *only* choose to participate in the choral program.

Please complete the attached registration form and return it to your child's school office no later than Wednesday, August 28, 2019.

Instrumental Students ONLY:

- For instruction on the **violin, viola, flute, clarinet, alto saxophone, or trumpet** - students will need to provide their own instrument or rent one from a music store.
- For instruction on the **cello, trombone, or baritone** - instruments are available through the school district for an annual maintenance cost of \$90, or students may provide their own.
- When choosing an instrument, consider the size of the instrument regarding transportation to and from school. **Keep in mind, this is a commitment for the entire school year.**
- Mark your calendars for our **"Back to Music/Rental Night" on August 27th at GHS.** (Books and accessories will also be available for purchase)
