February 24, 2020

Dear Parents and Patrons of Boling Independent School District:

Our pride is showing. Boling ISD will join more than five million students in celebrating Texas Public Schools Week, March 2nd – March 6th.

As part of the week long festivities we invite and welcome everyone – parents, grandparents, families and the community at large to visit and observe the activities planned at each school campus this week. This is our opportunity to showcase the quality education our students are receiving each day and for you to see firsthand how our students are being prepared for the future.

For your convenience, a schedule of Texas Public Schools Week activities at Boling ISD is listed below. This would be a perfect time for you to visit with teachers and principals at each of the campuses and see our pride showing. We think you will be impressed.

Sincerely,

Wade Stidevent
Superintendent
