2018-2019

For the 2018-2019 school year, MIS students will NOT need to come to MIS on a Registration Day to receive their class schedules. Instead, these schedules will be printable from Aeries, and made available on or before Thursday August 16th.

Although there will not be a formal Registration Day, the MIS PTSA will host an Open House on Wednesday August 15th from 8am-1pm for any new families that would like to tour the school, and any new or returning families that would like to register for PTSA, Booster, or related activities such as Cotillion in person. District technical support and counselors will also be available to answer questions.

The MIS store will be open every morning of August 13-17 to purchase locks, agenda books, PE clothing, and yearbooks. Textbook distribution will take place Tuesday-Thursday mornings of that week. Please see below for the entire schedule:
