

Seaford School District

Kindergarten - 2nd Grade Optional Learning Choice Board

All BlueJays are invited to select and complete learning activities to keep them active while at home!

B	L	U	E	J	A	Y	S
Make your own book and read it to a family member or friend.	Build a raft from aluminum foil. How many coins can it hold without sinking?	Count to 100 by ones, twos, fives, and tens.	Use a deck of cards to count.	Act out your favorite book.	Look around the house for loose change. Identify coins and their value.	Talk to an adult about ways you can show kindness to others.	Look for shapes in your house. Name each shape you see.
Make a bookmark.	Take a nature walk in your backyard. Look for living and nonliving things.	Sort a deck of cards by color.	Draw or paint a picture about a book you have read.	Write a new ending for your favorite story.	Write a new story about your favorite character from a book.	Write a thank you note to someone.	Make a castle using an empty cereal box.
Practice basic addition facts up to 10.	Look outside of your window. Write a description or draw a picture of what you see.	Make a paper airplane. Fly it and measure how far it goes.	Check the daily weather. Draw a picture of the weather each day.	Write your first and last name in your neatest handwriting	Do 10 of each: jumping jacks, pushups, and situps.	Read and follow a recipe with an adult.	List how many different ways you can make 10 using number bonds.
Clean your room.	Make a family tree.	Sing a song you learned in music class.	Make your own set of addition or subtraction flash cards.	Do something kind for someone you live with. Write about it.	Practice bouncing a ball with both hands.	Read in the dark with a flashlight.	Make a list of rhyming words.

Success for All Students
