Dear FCS Families,

Today, Governor Whitmer issued an executive order stating residents must remain at home to the maximum extent feasible to prevent the spread of coronavirus disease 2019 (COVID-19).

There are some exceptions to this order, including leaving the home to pick up food and groceries, to seek medical care, to exercise, and to care for others, among other exceptions. With that in mind, **Flint Community Schools will continue to provide food distribution services at this time but at fewer sites.** Any updates or changes to the food distribution process will be communicated via robocall, the district website (FlintSchools.org) and social media.

Additionally, if you have not yet picked up your child’s learning packet, please contact your child’s school immediately. All learning packets are available on the website and available for download by parents/guardians.

Flint Community Schools continues to be in close communication with the Genesee County and Genesee County Health Department and will continue to follow their recommendations and guidance. We urge families to follow preventative measures from the Centers for Disease Control and Prevention (CDC), which include:

- Frequently wash your hands with soap and water
- Cover your mouth when you sneeze or cough
- Avoid touching your eyes, nose and mouth
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning sprays or wipes
- Avoid close contact with people who are sick
- Stay home when you are sick (children and adults) and contact your health care provider

*The CDC does not recommend the use of facemasks for the general public.*

To view the Governor’s executive order, visit the following website: [https://www.michigan.gov/whitmer/0,9309,7-387-90499_90705-522626--,00.html](https://www.michigan.gov/whitmer/0,9309,7-387-90499_90705-522626--,00.html).

Thank you for entrusting us with the care of your children.

Sincerely,

Dr. Derrick L. Jones Lopez
Superintendent
Flint Community Schools
