TO: Parents of Seventh and Eighth Grade Students

FROM: Seven Hills School

SUBJECT: P.E. Uniforms (Fundraiser)

All seventh and eighth graders are required to change clothing daily in Physical Education classes. As stated in the student handbook, students may bring their own P.E. clothing, as long as it meets the parameters set forth in the student handbook (black athletic shorts and a plain white crew collar t-shirt). Students also have the option of purchasing a Seven Hills School P.E. uniform.

- Uniforms will be labeled with students' names, discouraging loss and theft.
- Uniforms save the wear and tear of student's school clothes.
- The Uniforms are looser fitting to allow freedom of movement and maximum performance in physical education.
- School spirit is fostered.

The uniform selected consists of a white T-shirt and black shorts. Sweatpants and sweatshirts are also available. Items are available in adult sizes as indicated below. These outfits should last for two years, so size accordingly. In cold weather, other sweatshirts/sweatpants of any color will be allowed, but students should still have a change of clothing. If you are unsure of the size, the P.E. teacher will assist the student when they distribute them.

Please complete the order form below and return with the cost to your student's P.E. teacher.

The school uniform is optional, and the funds will be used to purchase more uniforms and equipment for the P.E. program.
