

St. Theresa Green & Gold Gala

Green & Gold Gala 2019 – Viva Las Vegas

What is the Green & Gold Gala?

Our chips are on the table! The Green & Gold Gala is the single largest fundraiser for St. Theresa Parish School, and all parishioners and school friends, family and alumni are invited to attend. The money raised will contribute to the overall fundraising goal for the parish budget, which includes the school. As a single community, this is a perfect way to go All In and join fellow parishioners and school families in a fun-filled evening, which will include dinner, dancing, raffles, and silent and live auctions.

This year marks the 28th Green & Gold Gala. Our theme is “Viva Las Vegas!” The Gala will be held on Saturday, April 27, 2019 at 5:30 pm at The Stonegate Conference Center in Hoffman Estates. Invitations will be mailed in February and each ticket costs \$125. There will be tables of 10 and you’re welcome to put together an entire table or part of a table and we will fill in the rest of the seats. Then prepare to get in on the action!

How You Can Help

Ante up! Preparations are just getting underway and now is the time to get involved! The jackpot for a successful event is for individuals to donate live and silent auction items, make a cash donation, purchase an ad, and volunteer!

For the biggest payoff, we need both live and silent auction items. Items must be new, but can be anything...big or small. Ideas and a “wish list” are available, but feel free to be creative with your donations. We will use each donated item and either keep it as a stand-alone item in the auction, or we will pair it with other items to make an experience or a theme basket for attendees to bid on. Each donor will receive a charitable contribution tax letter and recognition in the auction book. No time to shop? We also welcome cold, hard cash donations to purchase theme items to complete auction baskets or experiences.

Businesses can also purchase advertising based on your desired support of the event and marketing goals...from business card ads in our auction book, to ads on our mobile bidding site with links to your business. Payment must accompany the request for ad space.
