PROCEDURES: TRAVEL GUIDELINES, RATES & STMP

Travel Guidelines Overview:

School Board Policy DEE Local states: An employee shall be reimbursed for reasonable, allowable expenses incurred in carrying out District business only with the prior approval of the employee's immediate supervisor. Reimbursement for authorized travel shall be in accordance with legal requirements. Accounting records shall accurately reflect that no state or federal funds were used to reimburse travel expenses beyond those authorized for state employees. For any authorized expense incurred, the employee shall submit a statement, with receipts to the extent feasible, documenting actual expenses and in accordance with administrative procedures.

Note: Travel expenses incurred due to the fault of a traveler, except for extenuating circumstances, such as late registration, canceled flight, etc. are not considered to be reasonable or necessary; therefore, all such expenses shall be paid or reimbursed by the traveler.

All travel expenses shall comply with federal, state and local guidelines. The District shall apply the same travel guidelines and rates for all travel expenses regardless of funding sources.

Federal guidelines (IRS):

- All travel expenses shall be paid under an Accountable Plan: 1) travel must have a business connection; 2) the traveler shall account for all expenses; 3) advances in excess, if any, shall be reimbursed to the district; and 4) meal expenses shall be in conjunction with overnight travel only.
- The meal expenses for the day of departure and return shall be adjusted based on the time of departure and return as noted in the District travel guidelines.
- If any travel expenses fail to meet the accountable plan guidelines, the payment to (or on behalf of) the traveler shall be taxed through the normal payroll cycle.

Federal Guidelines (EDGAR):

- All travel expenses paid with federal grant funds (typically funds 2XX, 3XX, 4XX) shall meet the EDGAR requirements (200.474) such as: 1) all travel costs must be reasonable and necessary; 2) all travel costs must be consistent with the district's travel policy; 3) all travel costs must be directly related to the grant award; and 4) all travel costs must meet the obligation of expenses rules.
- In addition, all federally-funded travel expenses must meet the TEA's Current Travel & Mileage Reimbursement Rates (as published in the most recent TEA Correspondence).

State Guidelines (TEA):

- All mileage, lodging, and meal reimbursement rates published by the Texas Comptroller of Public Accounts apply to all grants (federal and state, typically funds 2XX, 3XX and 4XX) funded by TEA for individuals on travel status. Refer to GSA rates for the current fiscal year at: <https://fm.x.cpa.state.tx.us/fm/travel/travelrates.php>
- All travel expenses paid with federal and state grant funds shall meet the allowable travel expenses as specified in the TexTravel Guidelines, subject to limits imposed by District travel guidelines.

Local District Guidelines:

The local District guidelines shall apply to all travel expenses regardless of funding source for in-state and out-of-state travel. All anticipated travel costs shall be submitted on a Travel Request Form, approved by the immediate supervisor, Assistant Superintendent(s), and Superintendent. All anticipated travel costs shall be encumbered to the appropriate budget account code(s) before any travel-related costs are incurred by the district or traveler.

In accordance with the State Comptroller's TexTravel Guidelines, the district acknowledges that discount or reward programs, such as flights, hotel, etc., are not things of value belonging to the district. The administrative burden to track the individual reward programs of employees would be administratively impractical and thus the district has determined that the employee may retain the value, if any that they receive personally due to school business related travel.

Travel Rates:

The mileage, lodging, and meal reimbursement rates published by the comptroller apply to all travel reimbursement rates. The link below to the Domestic Maximum Per Diem Rates should be used to determine the appropriate rates for in-state and out-of-state travel: <https://www.gsa.gov/portal/category/104711>

Note: General fund accounts shall be used to pay meal and lodging costs in excess of the Domestic Maximum Per Diem Rates. San Benito CISD does not pay for any meals for day trips. A day trip is defined as a trip that does not require an overnight stay. Exception may apply if Assistant Superintendent(s) and Superintendent have authorized prior to travel.

The State Travel Management Program (STMP)

The State Travel Management Program (STMP) through the Comptroller's office ensures that state agencies use taxpayer dollars more efficiently by helping them manage their travel expenditures by providing discounted travel services through vendor contracts and monitoring state travel activity.

As a TPASS Co-Op member, the district shall utilize the STMP travel contracts, as appropriate.

Travel Contracts

Texas Procurement and Support Services (TPASS) Co-Op Purchasing Program has negotiated the following travel contracts. Use of each of these contracts will require the district's contract number (contact the Purchasing Department). Website: <http://www.window.state.tx.us/procurement/prog/stmp/>

Insurance:

When renting a vehicle under the State of Texas contract, the daily rate includes both LDW and Liability coverage.

LDW (Loss/Damage Waiver or comprehensive), which covers all damage to the rental vehicle if it was rented under the state contract; and

Liability, which covers persons and property outside the rental vehicle. The amount of this extended liability insurance is \$250,000 bodily injury per person, \$500,000 bodily injury per occurrence; and \$100,000 property damage per occurrence.

Proof of insurance is located in the glove compartment or on the windshield of all contract rental cars. In the event you need to provide proof of insurance, inform the individual asking that you are renting under a corporate rate which includes the insurance and show the above "proof of insurance" document.

Note: If you rent a vehicle from a contract rental car vendor using a rate other than the State of Texas Contract Rate (e.g., a promotional rate), the insurance may not be included. You MUST request the State of Texas Contract Rate and provide the proper rate identifier code in order to receive the insurance coverage and the services provided in the state's contract.

Re-Fueling Provisions:

Enterprise: Vehicles are provided to travelers with a full tank of gas. Any amount less when vehicle is returned is subject to a per gallon fee not to exceed 50% above local market price.

Note to Traveler: If you are given a vehicle that does not have a full tank of gas, be sure the gas level is noted on the rental agreement. Return the vehicle with the same level of fuel in it.
