

Parents,

Students have access to reading, math, science, and social studies textbooks online through the Clever Portal (*NOTE: Please get student usernames and passwords from the teacher. The Bradley County Schools Technology Department cannot send usernames and passwords to parents*). These include extra practice, spelling and vocabulary words, digital lessons, enrichment activities, and much more. Here are directions on how to login to Clever:

1. Go to <https://clever.com/in/bradleycountyschools> or <https://bcstechnology.org/> and click the button that says “Clever Portal” If you do not see the button, click on the three white lines in the top left corner of the page. If you have not installed the Clever extension you may have to search for your school and select it.
2. Click the button that says “Login with Google”
3. Use your student’s username and password to log in (Username and password are similar to their AR login. Please add @bradleyschools.org to the username.) Ex. JonesE1234@bradleyschools.org
4. Use the different links to navigate to the online resources for each subject.
