

Temecula Valley Local Meal Charge Policy

Dear Parent or Guardian:

Temecula Valley Charter School participates in the National School Lunch Program and School Breakfast Program by offering nutritious meals every school day. Students may buy lunch for \$3.00. Eligible students may receive meals free of charge or at the reduced-price. You or your children do not have to be U.S. citizens to qualify for free or reduced-price meals. You must fill out a new Free/Reduced Lunch Application at the beginning of each school year to see if you qualify. Applications are available at our front desk any time throughout the school year. If you have any questions about applying, please call Leana Derouin at 951-294-6775.

Payments

We ask that families pay up front for student meal purchases. This helps lunch lines move quickly, giving students more time to enjoy their meal. There are multiple options to make payments to your student's lunch account:

In-Person Payments

- Payments can be made on school days at the Temecula Valley Charter School office during school hours.
 - Address: 35755 Abelia Street, Winchester, CA 92596
- We accept personal checks or cash in exact amounts.
 - A receipt will be given at time of payment.
- Students will not be able to make payments at the register when purchasing a meal

Electronic Payments through MyMealtime

- Payments can be made online at www.mymealtime.com
- There is a 2.45% fee per transaction

Charges/Balances

If a student takes a meal they will be charged for it. We encourage families to have a conversation with students so they know whether they can participate in the school meal program.

TVCS will allow students to charge a negative balance to their lunch account. The negative balance limit is -\$20.00 Outstanding balances must be paid within 1 week.

Bi-weekly balance notifications will be sent to families. The balance statement will notify you of the current status of your student's lunch account. The balance statement will also include instructions for making payments (same as above).

Alternate Meals

For paid student who reached the negative balance threshold, an alternate meal will be provided. Alternate meals are provided during lunch. The alternate meal will consist of Wow-butter & jelly sandwich and students will be allowed to receive an alternate meal no more than 5 times in a school year.

If your family is experiencing a financial setback, please contact us so we can help. We are willing to work with you to develop a payment plan for your lunch account.

Also, families may submit a free/reduced lunch application at any point during the school year. We can assist you in applying for free or reduced lunch if your income situation has changed mid-year.
