

DHS Resolution of Respect

I pledge from this day forward to be respectful of my own and others' beliefs, ideas, customs, and heritage. I will strive to demonstrate the qualities of a caring and respectful individual by being polite, empathetic, and kind. I recognize that the 6 P's, Attending Skills, Tribal Rules, etc. develop the skills of a caring and respectful individual. I will try at all times to be aware of my own biases and seek to gain understanding of those who I perceive as being different from myself. I will reject all forms of prejudice and discrimination. I will reach out to support those who are targets of hate. I will think about specific ways my community members can promote respect for people and create a prejudice-free zone. I firmly believe that one person can make a difference and that no person can be an innocent bystander when it comes to opposing hate. I recognize that respecting individual dignity and achieving equality are the responsibilities of all people. By signing this pledge, I commit myself to creating a community that is NO PLACE FOR HATE®
