

Dear Pilibos Family,

Below please find a letter from Homenetmen regarding the cancellation of KAHAM Games Closing Ceremonies and Kindergarten to 2nd grade games scheduled for this weekend.

As local, national, and global public health recommendations shift to include mutation of transmission of the novel Coronavirus (COVID-19), the Homenetmen Regional Executive Board is proactively taking steps that will help protect our youth and community.

Therefore, after careful discussion and consultation, we have decided to cancel the 36th KAHAM Games Closing & 45th Navasartian Games Opening Ceremonies.

However, the final games for 3rd through 8th grades, blue and yellow divisions, will proceed as scheduled.

As always, we greatly appreciate your cooperation and support.
