

Dear Fawn Families,

We are so excited to welcome everyone back tomorrow! To that end, we'd like to give some reminders for our procedures tomorrow morning.

Any student who was unable to complete early registration this summer will enter through the glass doors by the girls' gym and complete registration (pay applicable fees, pick up packet, receive schedule) in the girls' gym.

Students who are car riders in the morning should be dropped off in the front horseshoe drive and enter the glass doors that are on the front East side of the building. Meadowlark is a city street and it is unsafe and illegal to stop on the East (ditch) side of the street, so please make sure that you do not drop your child off there. Cars are never allowed in the back bus drive. It is reserved for buses only. Buses will drop students off in the back of the building and they will enter through the glass cafeteria doors. For information regarding bus routes and pick up times please visit the district's webpage and click on departments and transportation. Please remind your student to try to remember their bus number for the afternoon ride home.

Our doors open each morning at 7:30 and students may enter through the front doors outside of the office and the glass doors in the back of the building adjacent to the cafeteria. Sixth graders and anyone eating breakfast will report to the cafeteria, seventh graders will report to the trophy hallway outside of the dressing rooms, and eighth graders will gather in the library hallway to await the 8:02 bell sending them to first period. If your student has his/her schedule from early registration he/she should bring it to school in the morning. If your student forgets or has lost his/her schedule please don't worry, we will distribute extra copies to anyone who needs one in each grade level area.

You are welcome to walk your student into the building in the morning, but typically our junior high students do not have a parent wait with them for first period. They are excited and ready to see their friends and they are able to visit while they wait for the bell at 8:02. Our teachers created selfie stations for the students to take advantage of in each of their waiting areas in the morning, so encourage your child to send you a first day pic!

Students are not tardy during the first two weeks of school. Please help us by reassuring your student that we are here to help him/her and we will be out in the hallways giving directions and answering questions.

At dismissal time our bus riders should walk to the back of the building and wait for their bus on our back porch under the awning. Car riders, walkers, and bus riders may exit through the Meadowlark doors or the any of the doors in the front of the building. Most of our students wait for their ride under the awning on the front porch.

Schedule change request forms will be available in the counselor's office beginning Monday the 26th. Students should bring the form home, discuss the potential change with their parent/guardian, and return the signed form to the counselor's office.

We can't wait to see everyone tomorrow and start the new year!

Sincerely,

DPJH
