Is Anyone Over Winter?

I can hear the screams of “YES” from here! This winter has certainly packed a punch. With the inclement weather comes the tough decisions of when school can safely be in session and when it cannot. Currently, we have six days to make up. As communicated before, we will be using February 15th, April 19th and April 22nd as in school make up days.

Due to the excessive number of days still left (and the fact that winter isn't over yet), it was decided to also use Monday, February 18th as a snow make up day.

If you already turned in a Planned Absence Request form and need to alter it, please contact the office and we can take care of that for you. If you, due to school now being in session on Friday, the 15th and Monday, the 18th, need a Planned Absence Request form, please see our Morgan website and click “forms”. More information on possible eLearning Days will come out soon.

JUMP ROPE FOR HEART

Jump Rope for Heart material has been sent home! Please help Morgan make a difference for those with heart disease! Online donations are accepted and easy for those relatives out of the area!

EPCSC Core Value of the Month

All of the East Porter County Schools will be focusing on a core value each month of the school year. It is our mission to not only educate our students in the core academic areas, but also teaching them the values that make them a good human being. The core value for FEBRUARY is kindness. Kindness is the quality of being helpful and good to others.

Thank you for being partners with us in our efforts.
