

PREPARE FOR BATTLE!

**Battle of the Books begins in September,
but you can prepare by reading books
from the list over the summer.**

OPEN TO GRADES 3-5

**There are 30 books on the national reading list on the back of
this sheet. Read a few of your favorites or read them all...it's
your choice!**

**In September, we'll send out information about monthly club
meetings to prepare for the inter-school competition.
It's all about good books, good fun, & good friends.**

So this summer pick up a book & prepare for battle!
