Some items may contain pork and subject to change without notice. Please inquire if you have any questions.

The Texas Department of Agriculture (TDA) has issued the Smart Snack Nutrition Standards to promote a healthier environment in schools. This Policy contains various nutritional regulations that the Weatherford ISD Child Nutrition Department must follow. The following is a list of the regulations that must be followed on a daily basis at each campus.

• Elementary classrooms may serve one nutritious snack per day in the morning or afternoon (not during regular meal periods of that class) under teacher's guidance. Prepackage snacks must comply with the fat and sugar limits of Smart Snack Nutrition Standards, must be single-size servings. All snacks (homemade and prepackage) may not contain any FMNV's or consist of candy or desert type items (cookie, cakes, cupcakes, pudding, ice cream, or frozen desers, etc.).

• Classroom birthday parties must be scheduled after the end of the class's lunch period so that these celebrations will not replace a nutritious lunch. Foods of Minimal Value (FMNV's) may not be brought into the cafeteria during lunch serving periods.

• Carbonated drinks, candies, water ices, and chewing gum may not be sold, served or given away during meal periods where reimbursable meals are served/consumed.
