- III. Changes/Additions to the Agenda: None**
- IV. Secretary's Report:**
 - a. Review and approval of minutes: Ron Carroll moved, Enrique Gonzales 2nd.
 - b. Review and approval of agenda: Rosemary moved, David seconded.
- V. Public Comment/Input: None**
- VI. Old Business: None**
- VII. New Business: Legal Requirements:**
 - a. The Road to Reclassification: ELPAC Prep Classes: Paula explained that there are roughly 60 students in an ELPAC Bootcamp for 20 days to support them in reading, writing, speaking and listening. We hired 3 teachers to teach an additional class period for ELPAC. They are using test release questions for the test. We are continuing with after school tutoring to support students in math and language.
 - b. Review expenditures and budget: We hired 3 teachers to teach an additional class period for ELPAC. We are continuing to pay teachers for after school tutoring to support students in math and language. We also hire AVID Tutors and supplement the district's pay.
 - c. SWP annual review - Evaluation of Title I programs/services: Mr. Marquez our intervention teacher is supporting students in study skills class. His scores have improved in iReady and they have fewer referrals to the office. Intervention teacher, Mrs. Dreiling is working with CCGI through the social science teachers and scheduled all teachers to rotate through the College and Career Center to get information about A-G requirements and high school classes.
- VIII. Reports:**
 - a. ELAC/DELAC: ELAC advised that teachers give homework passes or bonus points for parents to attend meetings. There is an ELAC meeting tomorrow. At the DELAC meeting last week, they talked about the ELPAC and the Road to Reclassification. Mrs. Magana is presenting on the ELPAC in January's meeting. Dr. Salehi will also be there to provide support and information.
 - b. AVID: 6th Grade is going to UCI, 7th Grade is going to Biola on college field trips. We need teachers to start registration for AVID Institute, July 22-24. We are going to keep 2 AVID classes in each grade level and AVID Excel in 7 & 8 for 2019-20.
 - c. Magnet: We are hoping to increase our magnet enrollment to 60% since it is a requirement to be recognized as a national STEM school.

IX. Adjournment: Meeting was adjourned at 3:35pm by Dr. Salehi.

Next Meeting: February 21, 2019
