# The Power of Drawing!

Young Rembrandts

classes  
for **kids**

## at Silver Springs Elementary

This fall begins with a rendering of a stylized tarantula and continues with a study of Van Gogh's unique style of sunflowers. Each student will create a unique scarecrow and a tasty still life of taffy apples - proving that shading and color combinations can please anyone's sweet tooth! A favorite, Emoji's, return in a collage format. All budding artists continue to have fun learning foundational skills that will last a lifetime!
